### Sub.: Regulations for Transfer of players between Federations - Registration of Contract Players -

Dear Handball Friends,

May we herewith draw your attention to a paragraph of the Regulations for Transfers of Players between Federations and kindly request you to meet the stipulated deadlines:

#### *Article 9, Paragraph 4*

*Every National Federation shall send a central register of all contract players reported in the area it is in charge of to the continental federation concerned by 28 February of each year. Players concluding a contract during the season shall be reported to the continental federation by the National Federation within 7 days.*

*The continental federation shall record the contract players registered and communicate a complete list to the IHF by 31 March.*

So we kindly request you to send the contract of players transfers to AHF before **20 March 2011**, therefore, we can send the Member Federations' lists to IHF before the set dead line (31 March 2011).

Your early response will be very much appreciated.

Thanks.

Best Regards,

  
Dr. Roshan Anand  
Secretary General

  
Dr. Ahmad Abu Al-Lail  
Executive Director
